Bizu Private Caterer is an offshoot of the Bistro or Caf concept. It was created because of the demand of the customers to bring Bizu to their homes, event, and offices.

The brand itself carries with it very powerful evocations of warmth and pleasantries brought about by Bizu's philosophy of Joie de Vivre. This concept is literally translated as the joy of living where life's little moments are savored, cherished, and celebrated with nothing held back.

Be it for breakfast, lunch, afternoon tea, cocktails, dinner, and yes, even just for desserts, Bizu delivers gourmet fare, delectable pastries, professional service, and tasteful styling to every momentous celebration - showers, birthdays, anniversaries, launches, and even weddings.

Bizu has catered for events of all makes; be they intimate events for VIP guests to very large gatherings with 8,000 guests. Weddings have also been an integral part in the company's growth.
